General and Revenue Secretariat

There will have to be many cases under these 2 Regulations. Ordinarily there may be 8 or 10 cases arising in each District every year under both the Regulations This will have added materially to the work of the Addl Subordinate Judge's Court and it will be a great convenience to Litigants to have such cases tried in their own District where their Lands are situated. As it is people from remote corners of Chittoor have to go to Chingleput for such cases. By the arrangement proposed by the High Court such inconveniences will be avoided.

CHIEF SECRETARY Pashm To 24 SEP. 1936

B.T. Kesavaiengar, Esq., B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

SIR,

I am directed to state that the Additional Subordinate Judges of Kolar, Chitaldrug, Chikmagalur and Hassan have been empowered, under Government Notification No.P.1115/Cts.23-35-4, dated 16-8-1935, to - entertain and try original suits exceeding Rs.2500/- but not exceeding Rs.10,000/- in value arising in their respective districts.

Reg X

2. At the time of the inspection of Courts at Shimoga by - Mr. Justice A.S.R. Chari in February 1936 the members of the Bar - represented that jurisdiction over cases under the Succession Certificate Guardian and Wards and Insolvency Regulations arising in the respective districts may also be given to the Additional Subordinate Judges. It is seen from the statistics that on an average the number of cases - arising under the Succession Certificate Regulation has been from 1 to 4 in the four Districts (Kolar, Chitaldrug, Kadur and Hassan) and that there was not more than one case under the Guardian and Wards Regulation But the cases under the Insolvency Regulation numbered 3 to 13 in the said four Districts.

3. The Judges are of opinion that the Additional Subordinate Judges of Kolar Chitaldrug, Chikmagalur and Hassan may well have jurisdiction to hear cases under the Succession Certificate Regulation and the Guardian and Wards Regulation arising in their respective districts and that the addition of such cases will give them little extra work. But the Judges are against transferring insolvency wo to them. Insolvency cases often involve a large amount of work

at present none of these Additional Subordinate Judges is yet feeling the full pressure of the original suits which will come before him.

4. I am accordingly to recommend that the Government may be pleased to empower the Additional Subordinate Judges of Kolar, Chitaldrug, Chikmagalur and Hassan to perform the functions of a District Court in proceedings under the Succession Certificate Regulation and the Guardian and Wards Regulation arising within their respective districts and involving amounts not exceeding in value their pecuniary jurisdiction, viz. Rs.10,000/-.

I have the honour to be,

Sir,

Your most obedient servant,

J. Shamanur
